

¡Hola!

We hope you and your loved ones are doing well.

We had a great **missions project in the south of Costa Rica**: Our family of 4 and 4 people from Mission Hills Church joined forces and **we shared the Gospel with nearly 300 people and at least 31 invited Jesus to take control of their lives!** This year we challenged the university we were visiting to expand outside its campus borders and influence the community around them. So through the university and our ministry partners, the Lord opened doors for us to share the Gospel not only on Campus (with students, professors and staff); but we were also able to share with business men and women of the area, 2 highschools and adults who are in a program to finish high school.

It was an amazing time, God was clearly at work and our prayers for hearts ready for Him were answered. We also made key contacts with leaders who can open the doors for us and the Gospel in the future.

We presented to nearly 300 people in 10 different groups. At the end of each presentation we had a clear explanation of the Gospel and an invitation. At least 31 indicated making a decision to invite Jesus to lead their lives!, 104 wanted (and received) a new testament, 108 committed to be more sensitive to the needs of others around them and 40 committed to use their gifts to serve others. Many thanked us for being there and asked us to come back.

Challenging professors to be Jesus' ambassadors in the Technological University (TEC) The TEC is the 2nd most important university in Costa Rica. 2 of our staff have been meeting regularly with a group of professors there. This picture is from when Carlos challenged these University professors to be ambassadors of Jesus in their areas of influence in their university, so that they bring the light and transformational love of Jesus to those around them.

Training and equipping missionaries so that more can know and follow Jesus in Latin America & the Caribbean (LAC). Tatiana meets regularly with this group of missionaries to train them and equip them so

that the ministries they serve can have the tools needed and more people can know and follow Jesus in Latin America and the Caribbean.

Would you please PRAY for:

- The Lord's protection over our family (physical and spiritual)
- The spiritual growth and fruit of those we are working with and serving
- The health of our son Josué and Tatiana's mom.
- Our kids' school, for loving and God fearing staff, teachers and classmates
- The Lord's protection, healing and provision for all of our ministry partners.

Thank you!

It is a privilege to serve the Lord alongside you! Thank you for your partnership and for helping make all of this possible through your prayers and support!.

In His love,

Carlos, Tatiana, Josué David & Ester Aimé

“For everyone who calls on the name of the Lord will be saved.” How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: “How beautiful are the feet of those who bring good news!”
