~~THANK YOU!~~

Dear Friends and Family:

I sit here this morning, the day after election day in the U.S., and I am mindful that there are people we know experiencing all kinds of emotions concerning the election results. The Bible passage that keeps coming to mind is Romans 15:13:

“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.”

Romans 15:13 NLT

No matter what the outcomes of events may be in our lives the people of God, those who know Jesus Christ, can indeed have hope in all circumstances.

Prior to the elections, I confess that I, (Tim) was feeling a little anxious about what might be. As I prayed about it and asked the Lord to give me HIS perspective almost instantly the words of an old hymn came to mind:

“I hear the Savior say, thy strength indeed is small. Child of weakness watch and pray, find in me your all in all.” Jesus Paid it All- -Elvina Hall 1820

I thanked Him for being so clear and direct. No matter what, I needed to watch and pray and find in Him my all in all. Not in a particular outcome of an election or any other circumstance I find myself in. HE clearly encourages HIS people to fix our eyes on HIM and as this hymn encourages us to do- -find in HIM our all in all. Just the words and reality I needed to hear.

Please don't hear that this is easy. Our trust in God and in what HE chooses to do in our lives, and bring us through, can be a very difficult thing indeed. Like you, we know a number of dear friends who have gone, or are presently going through, really difficult things. When these difficulties arise, Lord enable us to fix our eyes on Jesus and allow the God of hope to fill us with all joy and peace as we trust in HIM, so that we may overflow with hope in the power of the Holy Spirit- -and indeed find Him to be our all in all!

This is our prayer as we move into this ThanksGiving season.

Family

Like you we have had a VEREY full summer with many guests and things to do. We first had Annaliesa home for her summer break, (for siding and butchering). We had dear friends come for a visit while Annaliesa was with us and we enjoyed having Elya, Cameron and kids with us for a nice stay in an AirBnB in Pinedale. while our kids were here we had some great day trips out and about, to Yellowstone, Jackson Hole, Tetons, Wind Rivers.

We are so thankful for the privilege of doing what we do, the ministry we enjoy, and the amazing place we get to live. Truly HE has filled us with joy in His presence. Recently Pastor Alex in Kenya has been in discussions and meeting with a church leader in Uganda and coming to an agreement of expanding the Global School of Missions and Spiritual Formation into Uganda and training over 100 of their church planters as well. What a blessing. I was unable to go to the schools graduation this summer and the teaching on line has had some technical difficulties but by God's grace we hope to work through them.
